

Y5 and Y6 - Spring 2023

What floats your boat?

We have 3 mixed age Y5/6 classes. The class teachers are Mr Jackson, Mr Hawker, Mrs Frampton and Mr Sargeant. We are also supported by Mrs McCulla, Mrs Pratt, Mrs Ball and Miss Hook. This information sheet is designed to give you more information about what we are learning in school and how you can help your child's learning at home. We will also share key vocabulary and the golden nuggets of learning our children need to learn so you can support this by questioning them. We have also included what the key learning for last half term was so that you can ask your child questions to help them recall this. It will provide you with key information too.

Home learning is set and due in on Fridays?

(Reading Quiz and Maths)

This half term's project is to learn a poem and practice a performance of it.

Last term's golden nuggets were:

1. Macbeth was a Scottish tragedy which explored complex relationships. It was written by Shakespeare.
2. The days of the week and the months of the year in French..
3. To know how volcanoes offer opportunities, risks and hazards to people who live near to them
4. Light travels in straight lines and know how shadows change.
5. Computer networks allow users to share and communicate.

PE kits in all week

Please keep up with your daily reading—remember to record your reading in your Reading diaries.

We also have access to TTRS, Spelling Shed and Rollama - at home once a week please.

This half term, we are learning
