

Parents information sheet

Y5 and Y6 Summer 2 2023

We have 3 mixed age Y5/6 classes. The class teachers are Mr Jackson, Mr Hawker, Mrs Frampton and Mr Sargeant. We are also supported by Miss McCulla, Mrs Pratt, Mrs Ball and Mrs Hook. This information sheet is designed to give you more information about what we are learning in school and how you can help your child's learning at home. We will also share key vocabulary and the golden nuggets of learning our children need to learn so you can support this by questioning them. We have also included what the key learning for last half term was so that you can ask your child questions to help them recall this. It will provide you with key information too.

PE kits in all week

Please keep up with your daily reading. We are aiming to 'Strive for Five'. This is when children read at least 5 times a week at home (ideally reading to an adult) and record it in their reading diary. Developing a love of reading is vital for all children.

Home learning is set and due in on Fridays

(Reading Quiz and Maths)

We also have access to TTRS,
Spelling Shed and Rollama -
at home once a week please.

Last term's golden nuggets were:

1. There are 15 national parks in Britain, they are unique to their location and history.
2. Christians believe the Ascension of Jesus into heaven is the departure of Christ from Earth into the presence of God.
3. A life cycle is the different stages of life for a living thing.
4. Endurance is important in many athletic events.
5. Computer programs containing graphics use x y coordinates and turns are measured in degrees.

This half term, we are learning:

In English -

- (Y6) To act in role on a stage.
- (Y6) To learn a script, choreography and song lyrics of by heart.
- (Y5) To show empathy with characters in The Last Wild book.
- (Y5) To create convincing characters in their own story.
- (Y5) To plan and write a dystopian story.

Key Vocabulary

Maths— Salary, annual, income tax, gross pay, deduct, personal allowance, kilogram, grams, capacity, millilitres, litres, convert, negative, difference, zero, positive, kilometres, metres, centimetres, millimetres, sequences, greater than, less than.

English— Expressions, portray, project, immerse, role, method acting, costume, choreography, paragraph, relative clause, subjunctive, tag questions, noun phrases, minus, narrative, dystopian, utopian.

In Maths -

- To understand salaries .
- To understand negative numbers.
- To read, write and apply decimal numbers.
- To convert units of measure (time, length, mass, volume)

This terms golden nuggets are:

1. Negative numbers become smaller the further you move away from zero (0).
2. Actions can reflect how a character is feeling.
3. National Parks are places that help protect and conserve our cultural heritage as well as the physical environment.
4. Jochebed made an incredible decision in the Old Testament story of Moses.
5. One of the strongest shapes for bridge construction is a triangle.

Our Christian Value this term is Service
