

Y1 and Y2 - Spring 1 2023

We have 3 mixed age Y1/2 classes. The class teachers are Mrs. Danby, Miss Greenwell/ Mr Sargeant, and Mrs Lake. We are also supported by Miss Frampton, Mrs. Murphie, Miss Farrell and Mrs. Chawdhary . This information sheet is designed to give you more information about what we are learning in school and how you can help your child's learning at home. We will also share key vocabulary and the golden nuggets of learning our children need to learn so you can support this by questioning them. We have also included what the key learning for last half term was so that you can ask your child questions to help them recall this. It will provide you with key information too.

Please have your PE kit in school every day.

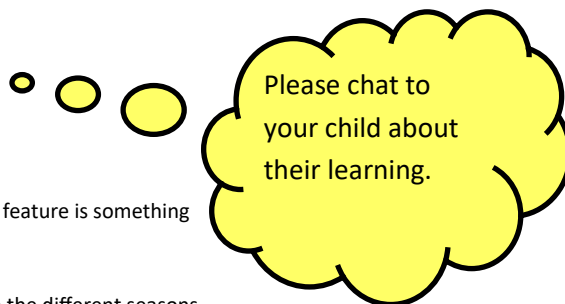

Home learning

On a Thursday your child will be assigned a reading book via Oxford Owl and Read Write Inc videos via Seesaw. They will receive a book to read and a book to share to bring home on Friday. We will be assigning a weekly Maths home learning on Seesaw also on a Thursday.

We also have access to Spelling Shed and will be introducing Rollama.

Last term's golden nuggets were:

- A map represents a place and shows where things are.
- Location tells you where something is.
- A human geographical feature is something that is man made. A physical geographical feature is something that occurs naturally.
- There are four seasons. Autumn, Winter, Spring and Summer. The weather changes in the different seasons.
- God uses angels as messengers in the Old Testament.

This half term, we are learning

In English -

- To write sentences starting with a capital letter and ending with a full stop.
- To write letters correctly and the same size.
- To read books using Fred In your head (sounding out in your head unless you are stuck on the word)
- To answer questions and talk about the book they have read. .

Key Vocabulary

- Chronology, industry, agriculture, tourism, mining, market, town
- Animals, herbivore (eats plants), carnivore (eats meat), omnivore (eats both), parts of the human body

In Maths -

- Year 1

Addition and Subtraction/ Place value up to 50.

Know Number bonds to 10 off by heart.

- Year 2

Addition and Subtraction/ Place Value to 100

Know number bonds to 20. Count in 2's, 5's and 10's

Our Outdoor learning will be on a Thursday afternoon . Each class will do this once each half term. We will let you know the dates via parent mail.

This terms golden nuggets are:

1. The industry in Keswick has changed from agriculture to tourism.
2. Chronology is sequencing events from the past in order of time.
3. Animals can be identified in groups such as birds, mammals, reptiles, fish and insects.
4. AN invertebrate is an animal without a backbone.
5. Jesus was friends with everyone.

Our Christian Value this term is
