

## Y5 and Y6 Summer 2023

# What on Earth is going on?

We have 3 mixed age Y5/6 classes. The class teachers are Mr Jackson, Mr Hawker, Mrs Frampton and Mr Sargeant. We are also supported by Miss McCulla, Mrs Pratt, Mrs Ball and Mrs Hook. This information sheet is designed to give you more information about what we are learning in school and how you can help your child's learning at home. We will also share key vocabulary and the golden nuggets of learning our children need to learn so you can support this by questioning them. We have also included what the key learning for last half term was so that you can ask your child questions to help them recall this. It will provide you with key information too.

## PE kits in all week

Please keep up with your daily reading. We are aiming to 'Strive for Five'. This is when children read at least 5 times a week at home (ideally reading to an adult) and record it in their reading diary. Developing a love of reading is vital for all children.

### Home learning is set and due in on Fridays

**(Reading Quiz and Maths)**

**We also have access to TTRS, Spelling Shed and Rollama - at home once a week please.**

Last term's golden nuggets were:

1. Fair Trade ensures fairer terms of trade between farmers and buyers, protect workers' rights, and provide the framework for producers to build thriving farms and organisations.
2. A well-balanced meal typically consists of a source of carbohydrates like grains or starches, a source or serving of protein, some fat, and one or more servings of vegetables and fruit.
3. A narrative poem is a type of poem which tells a story. It uses the poetic techniques you might normally find in a poem (such as rhyme, rhythm, similes and metaphors) to create a narrative.
4. The British Empire is a term used to describe all the places around the world that were once ruled by Britain. Built over many years, it grew to include large areas of North America, Australia, New Zealand, Asia and Africa, as well as small parts of Central and South America, too.
5. Easter is the day that Christians believe that Christ rose from the dead, bringing eternal life to followers. Christ's resurrection, following his crucifixion on what is known as Good Friday, is a time of rejoicing and rebirth.

# This half term, we are learning:

## In English -

- To revise Spelling Grammar and Punctuation KS2 content.
- (Y6) To experience an audition process and a read-through for a production.
- (Y5) To create a narrative based upon **The Last Wild**.

## In Maths -

- To understand and use degrees
- Classify, estimate and measure angles
- To read and plot coordinates
- To translate shapes.
- To understand symmetry.

## Key Vocabulary

Maths— angle, degree, acute, obtuse, reflex, adjacent, opposite, sum, half turn, quarter turn, perpendicular and parallel lines, internal and external angles

English— SPaG Subordinating and coordinating conjunctions, relative pronouns, clauses, contraction/ omission, possession, (apostrophes), progressive and perfect tenses, antonyms, synonyms, standard English.

Our Outdoor learning will be every three weeks. See the Parent Mail for the timetable.

This terms golden nuggets are:

1. There are 15 national parks in Britain, they are unique to their location and history.
2. Christians believe the Ascension of Jesus into heaven is the departure of Christ from Earth into the presence of God.
3. A life cycle is the different stages of life for a living thing.
4. Endurance is important in many athletic events.
5. Computer programs containing graphics use x y coordinates and turns are measured in degrees.

## Our Christian Value this term is
