

Y3 and Y4 - Spring 2 2023

How can we live more sustainably?

The class teachers are Mrs Cox and Mrs Parr. We are also supported by Miss Hook, Miss Donoghue and Mrs Chawdhary. This information sheet is designed to give you more information about what we are learning in school and how you can help your child's learning at home. We will also share key vocabulary and the golden nuggets of learning our children need to learn so you can support this by questioning them. We have also included what the key learning for last half term was so that you can ask your child questions to help them recall this. It will provide you with key information too.

Home learning this term is to upcycle something to make a useful object. See Seesaw for further details.

Our PE days are Monday and Thursday

We also have access to TTRS, Spelling Shed and Rollama (The codes for these are found inside your child's reading diary.)

Strive for 5. Each week, we are asking pupils to read (ideally to an adult) at least 5 times a week. Please record this in their reading diary. Developing a love of reading is vitally important to all children.

Last term's golden nuggets were:

1. Our bones hold us up, allow us to move and protect our organs and that muscles work in pairs to make us move.
2. To know what a natural resource is and how it can be protected.
3. That Christians believe that Jesus is the Son of God and had the power to perform miracles.
4. The designs of William Morris and how pattern and texture is used in art.
5. To know the French for different fruits and how to say which they like and dislike.

This half term, we are learning

In English -

- Non-Chronological reports (Leaflets, adverts & posters)
- Persuasive language, slogans
- Rhetorical questions
- Non-fiction features & how they help us to find information quickly (Contents, index & glossary)

Key Vocabulary

- Sustainability
- Fairtrade
- Pollination, fertilization, germination & seed dispersal
- Stigma, style, ovary, ovules, filament & anther

In Maths -

- Y3 - Fractions
- Y3 - Mass & Capacity
- Y4 - Fractions

The children have a PE coach in this term to teach them dodgeball skills which will lead to some children taking part in an inter-schools competition.

This terms golden nuggets are:

1. To know how to use cross-stich and running stitch to join fabrics.
2. Plants need air, light, water, nutrients from soil, and room to grow to survive and grow well.
3. To know the Easter Story and to know why people behaved in a certain way.
4. To know why forgiveness so important to people of all faiths.
5. To know the French names for underwater creatures.

Our Christian Value this term is
