

Y3 and Y4 - Summer 1 2023

How did the arrival of the Romans change Britain?

The class teachers are Mrs Cox and Mrs Parr. We are also supported by Miss Hook, Miss Donoghue and Mrs Chawdhary. This information sheet is designed to give you more information about what we are learning in school and how you can help your child's learning at home. We will also share key vocabulary and the golden nuggets of learning our children need to learn so you can support this by questioning them. We have also included what the key learning for last half term was so that you can ask your child questions to help them recall this. It will provide you with key information too.

Home learning this term is to create either a mosaic, a Roman shield, design a Roman villa or write a fact file about a Roman God or Goddess. See Seesaw for further details.

Our PE days are Monday and Tuesdays (rugby)

We also have access to TTRS, Spelling Shed and Rollama (The codes for these are found inside your child's reading diary.)

Strive for 5. Each week, we are asking pupils to read (ideally to an adult) at least 5 times a week. Please record this in their reading diary. Developing a love of reading is vitally important to all children.

Last term's golden nuggets were:

1. To know how to use cross-stitch and running stitch to join fabrics.
2. Plants need air, light, water, nutrients from soil, and room to grow to survive and grow well.
3. To know the Easter Story and to know why people behaved in a certain way.
4. To know why forgiveness so important to people of all faiths.
5. To know the French names for underwater creatures.

This half term, we are learning

In English -

- To write an adventure story.
- To use subordinating conjunctions to join clauses.
- To use prepositional phrases.
- To use inverted commas for direct speech.
- To describe a setting by using adjectives and adverbs.

Key Vocabulary

- Empire, invasion, Celts
- Force, gravity, magnetism, motion
- Pneumatic
- Subordinating conjunction, preposition
- Prayer

In Maths -

- Y3 - Length and perimeter, Mass and capacity
- Y4 - Decimals, Money, Time, Times Tables

Outdoor learning days are Fridays. On the relevant day, please ensure to send appropriate clothing and footwear for the weather in plastic bag to change into after lunch.

This terms golden nuggets are:

1. That magnets attract or repel each other and have two poles.
2. That some forces need contact (contact force) and others act from a distance (non-contact force).
3. The reasons why the Romans invaded Britain and the impact they had on the country.
4. To begin to put a conversation together in French about themselves.
5. To create a pneumatic system for a desired motion.
6. To know that believers across all World faiths pray in many similar and different ways.

Our Christian Value this term is
